Our Value for this half term: Integrity

Bridport Primary School

Learning today for our tomorrow

St Andrew's Rd, Bridport, Dorset, DT6 3BJ

Headteacher: Michaela Kite; Deputy: Felicity Le Gassick

Dear Parents and Carers,

January has felt like a very long month, I am sure you'll agree! We have been working hard, including mock SATs for our resilient year six children.

Our futsal team (years three and four) had a successful tournament, and we hope to be able to attend the final next week. Well done to them for their sporting attitudes and care for the opposition.

We were extremely fortunate to be visited by Geoff and his guide dog team. What lovely canine companions they are- we learned lots about how they help people and the training they go through.

Mrs Le Gassick thoroughly enjoyed running the times tables workshop for children and parents. Thank you to all of you who came along- we hope you found it useful! She will run these again soon for those who were unable to join us this time.

The year fives are having great fun and learning lots doing their bikeability over recent weeks. This is such a great experience, learning new skills and crucial road safety for the future.

HUGE congratulations to all our runners who took part in the cross country competition this week. They all did exceptionally well and represented BPS superbly, demonstrating all our school values. Our dedicated runners train every week with Miss B and Mr Hatch: thanks to them for taking the time to lead the club.

We are seeing some great gains in our attendance across the school. Please ensure that your child is in school when they are well, but if they are showing signs of illness and you are unsure, there is guidance on our website or the NHS website.

Don't forget the FOBPS Discos next week!
