Our Value for this half term: Resilience

# Bridport Primary School

Learning today for our tomorrow

St Andrew's Rd, Bridport, Dorset, DT6 3BJ

Headteacher: Michaela Kite; Deputy: Felicity Le Gassick

Dear Parents and Carers,

Welcome back to the 'summer term': We normally start to talk about sun cream and hats soon, but I feel we are a long way off that just yet! I hope you enjoyed a good Easter break- the children have come back refreshed and ready to learn. We started the term with a values assembly, looking at our focus for this half term, **resilience**.

Hopefully you have had the opportunity to look at some photos from World Book Day and Red Nose Day- well done to everyone for their brilliant efforts.

Our Year 6 School Councillors and RRS ambassadors made us proud at the Commonwealth Day ceremony before half term. They read their speech confidently and represented BPS impeccably.

We enjoyed inviting our year two and three parents in for performances in the final weeks of term. The children love to show their learning to you and we love to build our links with you.

The NSPCC delivered some brilliant workshops across the school about staying safe- the children asked great questions and responded really well to the learning.

During the INSET day, the staff had some valuable time looking at teaching and learning techniques, and how the Initio behaviour principles complement our own school values. It was fantastic to be able to have everyone together for training and reflection.

We know how busy and exciting this term can be for everyone, including transition for our oldest children to secondary school and welcoming our new reception children, residentials, trips, sports days and much more- let's hope for sunshine and a successful term for all!

Ms Kite
